WILLS PROJECT

LNIB LANDS DEPARTMENT

**CONTACT THE
LNIB LANDS
DEPARTMENT
FOR MORE
INFORMATION
AND SUPPORT.**

The Wills Project was started by the LNIB Lands Department during the Winter of 2020 with the goal of assisting LNIB Members with completing their written wills. So far, the project has connected more than 17 Members with a lawyer to draft, review, and execute a will. A new Wills Depository was created to safely and securely store Members' wills, along with Representation Agreements and Power of Attorney documents. The cost of the project is covered entirely by band sourced funding. If you are interested in participating in this project, please contact the Lands Department.
