RE: Access to Joeyaska IR No.2 for Annual Groundwater and Surface Water Monitoring and Sampling

We the Lower Nicola Indian Band hereby grant AtkinsRealis permission to enter Lower Nicola Indian Band Lands specifically, Joeyaska IR No.2 for the purpose of completing the annual groundwater and surface water monitoring and sampling on the Reserve. AtkinsRealis is permitted to access Joeyaska IR No.2 from June 17, 2024, to June 18, 2024. Access outside of the specified dates will require additional permission from the Lower Nicola Indian Band through the Lands Department.

Permission to access LNIB Lands is granted with the following restrictions:

- The LNIB Cultural Heritage Policy must be followed at all times.

Any questions or concerns regarding this matter shall be directed to me, Monica Pettinger, Lands Agent for the Lower Nicola Indian Band.

Thank you,

Monica Pettinger
